Kettler Kapers

By Virginia Jones
FOLKS ARE REALLY BUSY as bees these days—and every one seems to be taking an interest in community affairs! The dedication of McMaster Park was attended by many from Kettler Knolls—as were the two dances which followed that evening. The American Legion held their monthly dance and the Torrance Junior Chamber of Commerce dance at the VFW was quite successful. For the full week end, the Catholic Church bazaar made a hit with everyone and the dinner served on Sunday fed over 1000 people. With all the movement going on, let's start thinking now about the Blood Bank which is due to arrive in Torrance, Friday, December 1, at the Civic Auditorium. Blood plasma is still needed, and will always be needed—Let's not forget that, and tho' December 1 is a distant date, make your plans now! Donate a pint of blood to save a life.
ARMY SGT. ROY W. SULLIVAN is attending the M.P. School at the Presidio in San Francisco. After completing the 6-weeks course, he will return to Fort McArthur. His wife Betty, sons Bobby, Dickie, and Raymond have remained at the family home, 2320 Huber street.
MICHAEL PETE is the name chosen for the first-born of Beverly and Pete Gargalis! The little lad was born September 20 at Torrance Memorial Hospital and weighed all of 6 pounds and 4 ounces! His paternal grandmother, Mrs. Rose Gargalis recently moved to Los Angeles but was on hand to greet the new grandson when he arrived at his home, 1806 Reynosa drive. Maternal grandmother is Mrs. Mabel Mays of Long Beach and his paternal grandfather is Mike Gargalis of Detroit, Mich.
HOME FROM THE HOSPITAL and convalescing nicely is Mrs. Irene Brown of 1827 Santa Fe avenue. All her neighbors are wishing her well and Mrs. Edna Babitt of Lomita is assisting with household chores. Last week end, Mrs. Carla Korsgaard, Irene's mother, arrived from Cleveland, Ohio, for an extended visit with her daughter, son-in-law Roy and grandson, Denny.
A GROUP OF YOUNG MATRONS gave up an evening of canasta and enjoyed dinner at Welch's restaurant, Long Beach, last Wednesday. After dinner they adjourned to Wilton's Skyroom for additional fun. Those enjoying their "night out" were Mesdames Bette Dickson, Betty Dawson, Edna Crosswhite, Betty Clark, Peggy Soles, Dorothy Oliver, Joan Friend, Evelyn Coleman, Gertrude Horner and Willie Archbold.
HOW ABOUT THOSE MEN who like to sing in the shower? Wouldn't you like to test your vocal chords every Tuesday night at the night school? I'm sure you would, and the mixed voice group which meets on that night at 7:30 is in need of men for the chorists. The few men who are there now would certainly like to have some "buddies" to help them out. Be at the music room over the gym on Tuesdays!
CANASTA WAS THE DIVERSION of the evening for a group of young matrons gathered at the home of Mrs. Georgia Stroub, 23303 Faena street, last Wednesday. Undoubtedly enjoying their game were Mesdames Jo Devensh, Mildred Bird, Camilla Holphand, Betty Morehead, Helen Bell, Jewel Holmes, Leona Wimmell, Nola Nansel and Lynn Paulin of Los Angeles. Delicious refreshments were served by the hostess at the

close of the games.
HONOREE AT A LOVELY BABY SHOWER last Wednesday evening was Mrs. Ethel Davis of Marinette street. Mrs. Betty Murphy hosted the affair at her home, 1848 Marinette street. Gifts surrounded a lovely ice cream cake decorated with booties and a stork. Games were played with prizes going to Mrs. Theilma Friberg, Mrs. Ethel Davis and Mrs. Betty Wentz and Mrs. Leona Davis. Refreshments were served to Mesdames Alice Peary, Rex Welch, Phyllis Walters, Betty Wentz, Theilma Friberg, Leona Davis and the honoree, Ethel Davis, all of Torrance; Lottie L. Johnson, Dick Reynolds, and Ruth Tolbert, all of San Pedro. Mrs. Ethel Davis received many lovely gifts for the heir-to-be. Unable to attend but sending gifts were Mesdames Mary Guzman, Lou Trezise, Dorothy Johnson, Gladys Congo, Clarice Genta, Rose Rosso, Verna Harvey, Estelle Murphy, Alma Pickle, Bea Pickle and Oradell Gentry. Mrs. Rex Welch graciously assisted Mrs. Murphy during the evening.
JOE AND CAMILLA HELPHAND, sons Larry and Kenny Jo of 2109 Middlebrook road, enjoyed a Sunday's drive to Costa Mesa where they were dinner guests at the home of Sgt. and Mrs. H. J. Hohl and family. Sgt. Hohl recently returned from Japan.

Reflections

By J. Hugh Sherkey, Jr.
PLUMBERS SAVE LIVES

If we had to carry water in jugs to bathe and cook we wouldn't have our beautiful flowers, lawns, lovely homes. Our wives would hoard every drop for cooking, dishwashing would be sketchy and washing clothes would be done on a stone at a river's edge. PLUMBERS have given us ample water at the turn of a faucet. Modern bathrooms came when PLUMBERS put water, under pressure, in our homes. Cooties and all the ravages of Blackdeath, Small Fox and other pestilential diseases would be visitors without a sewer system; PLUMBERS build cities. PLUMBERS correctly install pipes and keep water flowing to a faucet. They give us convenience. They save lives. And the tragic part is, few persons give PLUMBERS credit for the part they play in modern living.
